

# Tidings

Evangelical Lutheran  
Church in America  
God's work. Our hands.

Good things are happening here at St. John's! And through St. John's. And you are part of it.

I shared those exact words with you at the start of worship a few Sundays ago, and, along with everything else I offer on the front of these monthly newsletters, I stand behind them.

Good things are indeed happening as we turn the calendar and begin the work of a new year.

You might recall that one of the very first of many things we needed to do at the start of last year was to re-build a good number of ministry teams which had become dormant, and to appoint various chairpersons and team members, and to set them to work!

We begin this year by thanking a few of those chairpersons and team members who have decided to now step away, and by also welcoming, encouraging, and supporting the new leaders who are coming aboard. I am heartened by the words of one new leader who recently said to me... *"My family and I want to be part of the solution here at St. John's."*

(And, as we seek to re-fill a few remaining ministry positions... I encourage the rest of you to also step forward and offer your own positive energy to the important and difference-making work we share together.)

We also begin the new year with the commitment of our incoming Church Council to invest a little extra time each month journeying through a small book about the re-vitalization of another ELCA church... an exercise which brought significant, positive change to two other congregations whose Church Councils I also led through the same journey.

And finally, we begin the year by focusing on bringing to reality a whole array of new ministries which I have repeatedly articulated both here in the monthly Tidings and in my regular reports to the Church Council, including... the formation of new small group ministries for both men and women; the introduction of new retreat opportunities; the creation of a "Shepherd Ministry" to reach out to those who miss 3-4 Sundays in a row; the providing of "care bags" to folks who come to the church seeking assistance; the planning of closer, shorter-term mission trips for those who are unable to participate in our larger annual Guatemala venture; and hopefully, the re-scheduling of our Sunday morning schedule to include two worship gatherings, with a learning hour in-between for both our youngest ones and our older youth, along with a Pastor-led class for our adults.

Good things are indeed happening here at St. John's. Despite the efforts of those who continue to choose to be divisive. Despite those who boycott my pastoral leadership by literally crossing the aisle in order not to receive the Holy Sacrament from my hands. And despite those who coyly whisper in the corners to other people that the tone of this congregation has become noticeably "dark" (that's the word they keep using) ever since my arrival.

Still, I will reiterate to all who are willing to listen... we must not and cannot allow negativity to be the default mode here at St. John's, and I commend you to remind anyone who speaks and acts in such a manner that it serves no one any good and, in fact, only harms and hinders the mission and ministry of this congregation. (I will also point you to the Apostle Paul's instructions in Romans 16:17-19 regarding those who repeatedly choose to cause such dissent.)

Good things are happening right here at St. John's. And through St. John's. Thank you, Holy Spirit.

And everyone is welcomed to take part in it.

## Mission Team

SHOWER THE PEOPLE WITH LOVE has been a learning opportunity for the City of San Antonio, CAM and all its supporting volunteers from many congregations. The program's expectations of serving 60 - 80 clients, 3 days a week has resulted an average of 35 clients. An 8-stall trailer was borrowed from the Baptist Charities. It will be moved from the CAM lot by the end of this month.

Members of the City, CAM, SAWS and the Program Coordinator met, and are considering installing a 2 stall shower trailer. The City has paid for towels, cleaning and staff services, SAWS has contributed the water and CAM has provided volunteers to expedite the shifts 3 times a week. The thought of only 2-stalls is hard to imagine. In my opinion - it will be a lot of effort, for very few, and will cause great frustration for the 35 regular clients. I'm praying for a better solution. A solution will be provided by the end of the year.

As the Volunteer Coordinator for this program of the Mission Team, a heartfelt thank you for our St. John's volunteers:  
 Dottie Bowles, Lynn Ed and Norma Case, Cliff and Bea Imken, and Ron Olson.  
 Janet Grun

## **Legacy Giving for Family and Ministry Seminar**

### **January 26, Memorial Hall**

Everything that we have is a gift that God places in our care during our lifetimes. We each have the privilege, responsibility and joy of being a steward, of caring for loved ones, for God's creation, and also creating gifts for Christian ministry.

As you plan your own legacy that will reflect your faith and values, the Lutheran Foundation of the Southwest is here to assist you. We are here to help you care for your family and benefit Lutheran ministries, as well as your other favorite community and other non-profit organizations.

Lutheran Foundation of the Southwest provides comprehensive gift planning and management, personalized to your goals and your unique family and financial situation. The gifts the foundation receives and stewards are on behalf of other ministries.

St. John's Lutheran Church will host a Legacy Giving for Family and Ministry Seminar at 11:00 AM on Sunday, Jan. 26. Deacon John Dellis, our synod gift planner with the foundation, will be with us to talk about options and possibilities for the future for our congregation.

During the seminar, we'll discuss:

- How to care and provide for family and other loved ones and provide legacy gifts for ministry and other non-profit organizations
- Review options for legacy gift sharing that will bless future generations forever
- That the foundation's services to the members of our congregation are provided at no cost and no obligation.

### **Help Fill the Shopping Cart for CAM**

**Bring your non-perishable food items and place  
in the cart located in Memorial Hall.  
Each Monday a volunteer delivers the items to  
CAM.**

**Hazael Menchaca has joined the church staff as our Sunday Sexton.**

**Hazael began his duties on Sunday, December 22.**

**Please be sure to welcome him when you see him, if you haven't already.  
He is replacing Christine Hazelton, whom we thank for her two and a half  
years of service to our congregation.**

**HAPPY NEW YEAR**

## Christian Assistance Ministry (CAM) Christmas Store

A big thank you to all who helped to give over 700 children a wonderful Christmas. The money and gifts given to CAM went a huge way to help stock the store. Parents came and were able to select gifts for their children at no cost to them. A big thank you to Tanya Anderson, Elle Anderson, Bea Imken, Amy Bohmann, Kathy Dicke and Mary Boehme for helping to set up the store and assist the parents in selecting the toys. Thank you again to all who made donations, and to those who volunteered to help set-up the store!

To God alone the glory.
